Production Work Experience - Rigging Artist

Softest Blanket– 3D Animation Short Film   2020 - 2021
Lead rigging artist responsible or internal structures and painting skin weights. Collaborated with animators to ensure working rigs and correct deformations, fixing all errors in accordance with production schedule. Assisted in outside area (stop motion) to ensure film was completed by both teams.

Turtle Trouble – 3D Animation Short Film   2020
Completed custom rig for film's main character. Assisted in the concept and creating of 2D background characters. Also assisted with the story team to create storyboards and compile all.storyboards into an animatic

Take Your Kid to Work Day – 3D Animation Short Film   2020
Led rigging team, focusing on major characters. Assisted other riggers with any issues arising from functionality of rigs. Composited 2D characters onto 3D background to merge styles for film   .
